

Title: Are they having a hard time locating GME shares? Did they actually buy shares when I bought?

yes

I initiated a DRS transfer of 350 GME shares a month back. The agent initially expected it to go through in 5 days, but it is still not showing up on my ComputerShare account. The SEC mandates transfer to go through within a week, I am not sure what is causing the delay and I am contemplating if I should file a claim against Fidelity if takes any longer.
