Welcome to 100+ days of ~~summer~~ broker guides!

It's clear that everyone, even GameStop fanatics, are finding and learning about Direct Registration and the DRS at different speeds, so I'm hoping this series of posts helps to raise more awareness that it is possible, and it's even easier than it was at the start of 2022!

If you're looking for a guide for your broker, leave a comment with the following command to summon the DRSGME wizard:

!DRSGME:BMO!

Just replace BMO with your broker's name. If you can't find your broker guide, let me know and I'll see what I can dig up!

Day 9, Guide 9: BMO Investorline

BMO is a Canadian broker that can DRS transfer for free! It's one of a few that can DRS for free in Canada. So if you want to avoid the \$150 fee that Disnat or National Bank charge, or worse, the \$300+ fee that Qtrade, Questrade and Wealthsimple charge!

Guides on how to DRS transfer are available for all of those brokers.
