dividend. Is wealthsimple planning on rectifying the situation?

We processed the GME stock dividend the way it was presented to us by our clearing brokers, the CDS. This means that it was processed like a stock split and shareholders received 3 additional shares for each share held.

So the CDS received the share and distributed them to Canadian brokers and these are the shares we have received?

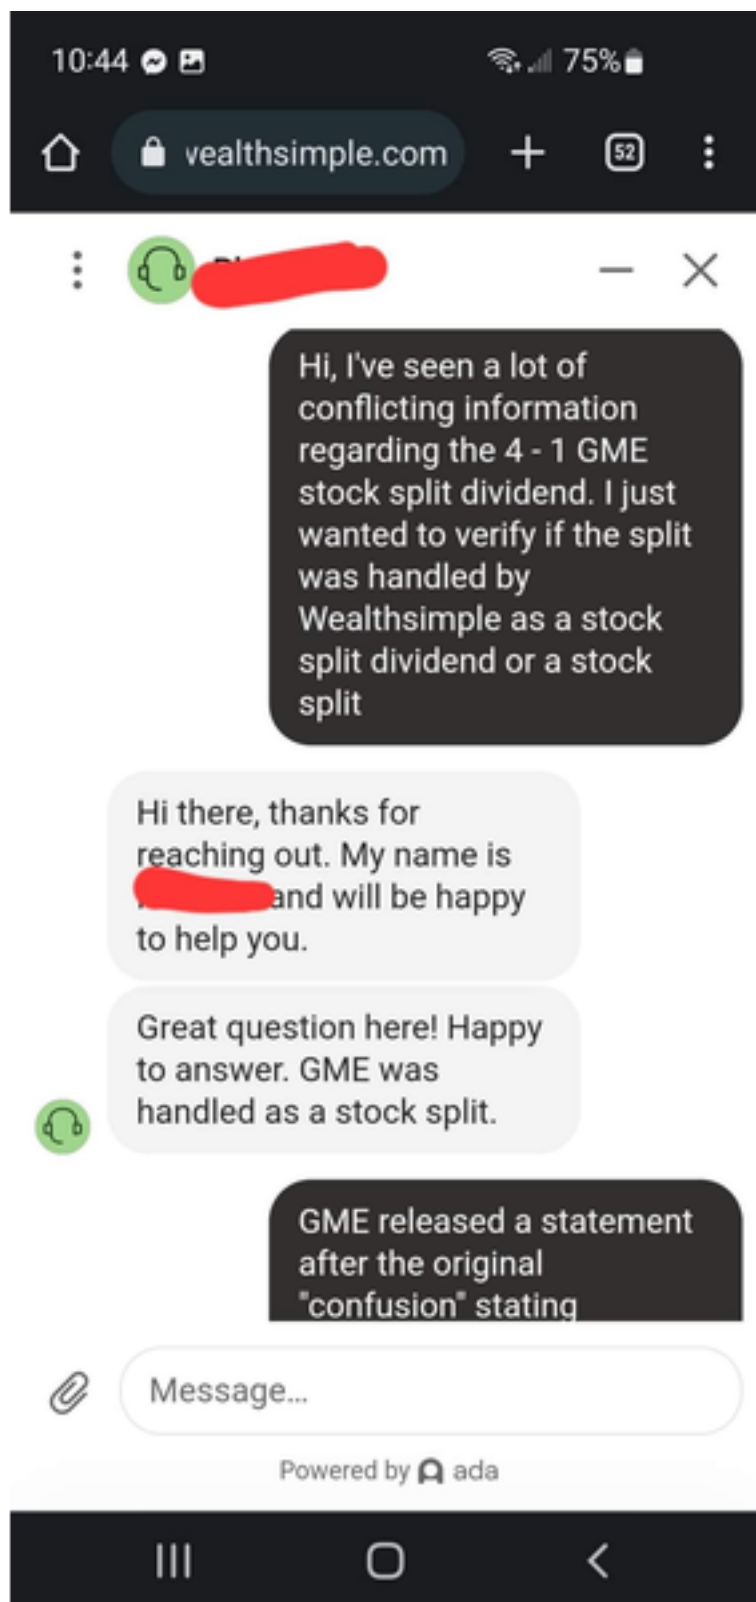

Basically exactly like that.

Hi, I've seen a lot of conflicting information regarding the 4 - 1 GME stock split dividend. I just wanted to verify if the split was handled by Wealhtsimple as a stock split dividend or a stock split

Hi there, thanks for reaching out. My name is [Redacted Name] and will be happy to help you.

Great question here! Happy to answer. GME was handled as a stock split.

GME released a statement after the original "confusion" stating
