Peter, Can you offer some insight as to the timing and thoughts overall? Maybe just looking for your thoughts compared to mine. That is why I left no opinion. Thanks in advance.

Yeah, I seem to get asked this every day. We likely need several rule filings to go live, for example, NSCC-2021-010 is in some weird dead zone but has to be decided on by April. Cats fully operational July. Think a squeeze by August, but likely earlier given market volatility
