Put your money where your mouth is or it takes money to buy the Whiskey or whatever...

Made it 2 -> 100 -> 200 stonks in CS now, and will prepare another batch of 100 next week to be sent from my bank to IBKR

It was 500,000 on the bot when actually in Q3 report it was 5Mio...now we are heading to 1,5Mio for the bot, so 15-20Mio should be locked, especially since many Euroapes did same like me = started with pioneers and send the reinformcements step by step

Dry em up- at one point one of them or the neutral side will switch sides and lock the float with options or something to start the frenzy...same with Volkswagen squeeze

Can't stop, won't stop, Gamestop
