I am going to plant a seed, better yet make a wager that the timing of the Gamestop NFT marketplace is perfect....

We have all been watching and waiting for BIG D\*&% Ryan Cohen to change history and all our lives. Speculating on when and where it would all happen. We've all come to the same conclusion, Gamestop would announce on the largest and loudest platform, so the whole world would know that Hedgies are fukd! Now what event happening soon could be the PERFECT time for this life altering extravaganza??

If you had one shot,  
One opportunity  
To change everything you ever wanted,  
In ONE moment  
Would you capture it?  
Or just let it slip

Which brings me to my wager....I would like to wager that Gamestop would shock the world and announce an NFT dividend on \*DRUMROLL\* ■■■■

SUPER BOWL SUNDAY!!!

Ladies, Gentlemen, Roaring Kitties and apes this is the largest and loudest of all platforms. This is the date to end all dates.

LETS SHOCK THE WORLD BEFORE WE CHANGE IT!!!!
