Been leaning back in the fast lane drifting off Tesla's ever sense Elon's alter ego declared me their favorite superhero..

Howel all the algos 'til all moos shmo■oz

Foreigns the beyond averages-above the regular with a flair for the disregards-zero fucks or regrets left in the tank when it comes to holdin' oft..Returns to those days of casually..coffed over cuffed before I'll ever let FUD rattle me..

Drop a ■ and cause a ■

Hidden meanings under ■

Keep the scheme automatic status green through the dim ■added up

Plain ■ for you lames..

You and me are not the same.

Unlike some of you..I'm in this for every fucking .02 or dust. No mas patience for ■ eaters too smooth ■ and weak in the ■ to HOLD GME while the rest of us ■■■■■ out the pockets of the ■ .

Call me a shill & I'll Put your bills in my 45 day gas tank. Premiums at the pump goin' up in smoke like the ash off the tip of the blunt every time that bass bangs.

vil-lain-iz-ed because I see NO MOASS IN 2022 as 10/10 a good thing = one hell of a life changing gain! Not sorry if some y'all didn't heed the warnings to prepare properly in '21 for the long game.

GME is a whole move.

Not a quick ploy so get your shit together or get together and shitted on. ExposuRe too close to the right now instead of the right timing is why many of y'all will fall off well before the countdown has begun. Focus yourselves now or watch as the ■ starts climbing.

Full send: All around the market are catalysts..all around the market are levers and measures. ■ everywhere keep sending you ■.

DRS your shares or don't.

As for me..I never give the opp a ■

I don't give a fuck-give a fuck-give a fuck-if you personally believe that buy & hold is 1/1. I did.I do.I will.

Continuing to wait on RC or kiss his ass was never an option on the table. Patience to let him work the room revealed that he's better suited to cheer from the bench than to be on the floor in the clutch. That's just the ■ .

GME to the highest recorded price in the history of the stock market as it will have been known. .000 or throne.

Forever changing the way that the market looks and operates will be pursued until my dying breath. Taking every single .01 from Ken and every corrupt politician in the process will just be the icing on the cake.

Him.He.Me.

I'm a creator not a character.
