Hey guys I thought I saw a post about this a few days ago but I cant find it anywhere. Am I insane or is that a GME reference of a Gorilla inside the wallstreet bull? Sorry for the quality I wasn't able to screenshot because Netflix censoring so I had to do it with my phone, can someone else check it out themselves on higher resolution monitor to confirm? This made my tits so fucking jacked but I cant tell if I'm just making things up or if its actually there.

It can be seen in the movie "Dont Look up" on Netflix in the last 16:10-16:04 minutes of the movie.

Sorry if I used wrong flair I don't post often
