THIS IS THE WAY

To Register Via Chat: Log into F.ide.lity >> Go to search tool >> Type " Chat Representative etc..." >> chat appears >> I'd like to DRS X GME shares to computershare = DONE.

Question: I've signed DLaures petition already, but what's that other thing? Comment letter to congress? I know some apes have made it easy to an example template to go off of. I'll do it now if ya post a link.

Thanks!

Note: *This is a duplicate post 10 minutes ago from superstonk because the DRS bot said "I need to incrementally feed the bot from this sub since I did it from here before," or something like that.*
