So GME acted really nice yesterday and all of the Apes are rocking hard. But don't forget about the people who bought at the top, if you want to be a paper handed bitch at least wait for the price to reach all time highs. I'm an XXX ape and I will hold for the XX and X ones till they get rich, hope the XXXX and XXXXX and XXXXXX holders think the same and we can fuck this system together.

Don't forget APES TOGETHER STRONG !!! Just HOLD and enjoy :D
