**-Dave thinks MOASS is very unlikely.**

**-Dave thinks the powerful forces of Wall St will find a way to stop the squeeze and win.**

**-Dave thinks the government will step in to protect the powerful entities that bet against GameStop.**

**-Dave thinks the DTC handled the split correctly and doesn't think we should be concerned about brokers splitting shares by 4 without a dividend.**

**-Dave thinks sharing his DRS status would influence our choices, yet proceeds to share his positions/buys in GME (which influences people to buy).**
