So I've been direct purchasing via CS since last August, but have been hesitant to transfer the shares I've got in Fidelity. Phone calls just aren't my jam... However, late last night I finally took the plunge with the assistance and motivation of this incredibly to-the-point post: ["How to DRS w/Fidelity"](https://www.reddit.com/r/Superstonk/comments/qm5n5n/how_to_drs_wfidelity_call_800fidelity_8003433548/). 24/7 service rep availability caught me off guard, the process took mere minutes. Once the transfer completes, I'll be all in, just pure direct registered GME goodness.

Until then, here's my small contribution. I'd been neglecting to feed the bot for too long.
