MO ASS can just about kiss MY ASS. I've been holding GME for 16 months. I know those people that have been holding long like me are in 3 camps. 1- Still believing, 2- Not sure, 3- Lost all hope.

I think I'm entering camp #3. I will hold until year end but if it hasn't happened by then...it ain't happening at all. No way they would still be in their shirt positions for 2 years. No way.
