So this shit took me a minute to get to.. But theres a few tweets that have to do with Breakfast club..

[June 11, 2021 Breakfast Club Whistling

scene](https://twitter.com/TheRoaringKitty/status/1403358931666223104?s=20) / Breakfast club whistling " Arise the Man "Tbh that song is in a few different things, including space balls when the little dudes are walkin around.(love that movie), but I couldn't find any connection to any company or chart that i could look up. Theres also no power up. I just included it because of relevance really :)I did cover comcast at that timeframe, magically. [I covered comcast here](https://www.reddit.com/r/DeepFuckingValue/comments/p5h3v9/last_company_to_cover_dfv_tweets_comcast/?utm_source=reddit&utm_medium=user&utm_name=u_alwaysadbuttruthful&utm_content=t3_qb2cnr). ■

The last picture seems to be ryan cohen and daisy ridley from star wars ? ah man this guy throws in some teeny details sometimes...

So... Let's just see if there's something in the history of Breakfast club that could lead us to some shit.

Good movie btw. I'll be doing this for all movies that had powerups to see if Maybe a pattern is presented in the Data. Find a powerup. Figure out what company it could be looking at, because this dude is a value investor and a value investor. So somewhere in this information is the reason its not a value play and shows a FROG on its chart. **ALL POWERUPS reference a company that shows a FROG.**

Frivolously Related Output Gaps SHOULD NEVER EXIST!

Going over to Breakfast Club [wiki](https://en.wikipedia.org/wiki/The_Breakfast_Club) it shows :

* Premiered February 7, 1985.

So me being the retard I am, I open up the pages on the # companies mentioned. A&M;, Channel , and Universal.

- * **Vivendi** 10% \[Vincent Bolloré Is chairman and CEO of Vivendi.\]

UNIVERSAL PICTURES

Universal is owned by comcast under the name NBCUniversal , (wiki for Comcast also.)

["Comcast Completes Acquisition Of GE's 49% Stake In NBCUniversal"](<https://www.deadline.com/2013/03/comcast-completes-acquisition-nbcuniversal/>)

describes the acquisition well. Interesting to learn by the end of this that Universal pictures is owned by NBCUniversal, which is owned by comcast. Another neat fact is that Comcast is the 2nd largest cable company by revenue and THE largest ISP provider in the U.S. [https://fintel.io/doc/sec-comcast-corp-1166691-ex991-2021-august-02-18841-5558] (https://fintel.io/doc/sec-comcast-corp-1166691-ex991-2021-august-02-18841-5558) **COMCAST AND NBCUNIVERSAL MEDIA ANNOUNCE DEBT EXCHANGE OFFERS << ■**
