I'm concerned KG will just delay phase 6. He has had Hester delay the CAT system since 2012.

ISDA seems tougher than DTCC. But our last catalyst in June was postponed last minute.

I want to see GameStop M0A\$\$\$. We were not wrong, they were but KG is American royalty.

In Washington he is a god. I pray we get our M0A\$\$\$. Ryan said it's the best time to be alive.
