So I did the ASCII code for 7-4-1 and 741 do these mean anything to anyone?

* Alt + 7 = •

* ALT + 4 = ♦

* Alt + 1 = ■

* Alt + 741 = σ

* My theory is maybe it means, period, or wait, stop. Diamond for, Diamond Hands, be strong don't be shook. Have no fear Ryan Cohen is here. Smiley face, means smile, be happy the time is neigh. and that last symbol is Sigma. Sigma is a statistical measurement of variability, showing how much variation exists from a statistical average. Also in stock option Sigma is the variable for volitilititty Just was bored messing around but maybe means something. What are your thoughts and what this could mean towards GME?
