Funds don't let you know their plans, so don't let them know yours. Your investment strategy is yours and yours alone. New Apes, seasoned Apes, Apes of all kinds, this is a reminder that whether it's a green day, red day, or gray day, please don't use stop losses. Buy, hodl, register, and shop GameStop, but no need to give funds any more information than they already have.

Buckle up! Ceangail do chríos!
