So yea, i just found post on SS which make me fell soo angry that i cannot describe.

NSCC (National Securities Clearing Corporation) - yes those mofos are proposing rule to prevent MOASS, they are calling it "FiRe sAIE prevention".

Remember when apes were loud about proposal rule " **SR-NSCC-2021-010** "? They fucking withdrawn it... and now they are trying to snake **SR-NSCC-2022-003** and **SR-NSCC-2022-801** which is even worse and disgusting BULL SHIT AGAINST RETAIL INVESTORS, HERE IS A FUCKING SCREENSHOOT FROM **003** PAGE 6:

" SR-NSCC-2022-801 is the advance notice version ! The Proposed Rule Change version is **SR-NSCC-2022-003** ! I believe comments should be done on this version ! (SR-NSCC-2021-010 was the "Proposed Rule Change" version of 2021, and also had the "advance notice" version SR-NSCC-2021-803). In doubt it's best to comment on both versions. (They are the same rule) " <--

Hint for lazy APES **(It also applies to SR-NSCC-2021-003)**

THIS IS SERIOUS THING APES, ITS NOT A FUCKING DRILL, WAKE THE FUCK UP!

1. Read the rules **SR-NSCC-2022-801** and **SR-NSCC-2021-003**.
2. Prepare comment.
3. Let them know what you think.

Some SS APE analyzed these documents and, this is the result:

Reading this, do you understand how important it is? They dont give a shit about transparency, all they care is to stop/prevent MOASS, because bad actors are FUCKED by apes, do your fucking job, dont be zEn, or they will rob us from our justice.

EDIT_1: u/MOD guys please could you pin it to the first page, i dont give a *** about karma, all i care is that apes will see it and they will read these proposal rules + leave a comment for SEC under the proposals, this is very important matter, they need to know that we are seeing what they are doing, this pressure will stop them from doing that.

NFA, just retarded ape <3
