Last Thurs. 2/17 at around 3pm I finally did it. Not sure why I was so hesitant about DRS in the first place, maybe I don't like using the phone, but after seeing three posts about DRS via chat I thought I'd give it a go for some of my GME. Look how easy they made it:

[\"Perfect. How many shares were we looking to DRS?\"](<https://preview.redd.it/yl27mky65uj81.png?width=812&format=png&auto=webp&s=37aec9514da8474e594602fa27ed921c2f3a1dcd>)

[Four minutes later he gives me a confirmation code.](<https://preview.redd.it/e5tirmy95uj81.png?width=816&format=png&auto=webp&s=bd8402ccbf33219d518ccdbf43c5286d67ab6be7>)

[Just four days later I looked in my Computershare, and there they were!](<https://preview.redd.it/jdwog0dd5uj81.png?width=1152&format=png&auto=webp&s=86f2a96c43bcc6952a21417ecb25fd2d20febeb4>)

If you're still on the fence, just pop open that Contact \ Chat window, they've made it too easy now.
