I'm deploying a mission to get on a live call on Jim Creamer's Mad Money segment and I'm going to see what funny business I can pull by joining his investor club. If I get the opportunity, I'm going all out. I once upper decked every frat house on the campus I'm 2007 and the sky is the limit. Wish me luck and you will know when the mission is complete. Wish my luck fellow GME Maniacs
