Hello!

here is the super quick summary of the two pages of my dashboard, as some people are asking for video tutorials: so here they are.

TLDR - dont forget to use CTRL to select multiple options within the same filter. dont forget to clear filters you no longer need.

page one demo - "come back to the lego weekend" and find new dd onfail to delivers's for gme stonk.

[page 1 demo.](<https://reddit.com/link/upetno/video/85krxsgv8fz81/player>)

page 2 demo (new, a few hours old).

has wrinkle mode and better search.
