Dorothy D. DeWitt is the Director of the Division of Market Oversight (DMO) at the Commodity Futures Trading Commission. In her role, she is responsible for the oversight of derivatives platforms and swap data repositories, and the CFTC's market intelligence initiatives.

Ms. DeWitt joined the CFTC from Coinbase, a cryptocurrency company, where she served as Vice President and General Counsel for Business Lines and Markets. She previously served in senior legal and compliance roles for Citadel Securities, a broker-dealer and swaps dealer provisionally-registered with the CFTC, and S&P Global, and as an attorney at Davis Polk & Wardwell.
