**Boston Consulting Group (BCG)** is an American global [management consulting](#) firm founded in 1963, headquartered in [Boston, Massachusetts](#).<sup>[3]</sup> It is one of the [Big Three](#) — the world's three largest and most prestigious management consulting firms — along with [Bain & Company](#) and [McKinsey & Company](#). They got destroyed on March 24th, 2022 by the gigantic balls of Ryan Cohen, when he exposed them for the crooks that they are.
