Hi Everyone and Mr Ryan Cohen, I am posting this with the image of my proof of 3000 shares. I originally posted on gmeorphans but I was not able to update my post there as I did not have a draft of the original post. Without the draft, you cannot access the images and video screen. I tried all kinds of stuff, then one of the mods suggested I post on this sub. My first try didn't have enough text so I'm hoping this will meet the requirements of 250 characters. I don't think I have enough points for superstonk yet, it's tough trying to get points, hopefully one day it will happen. I hope everyone drs's their shares. Have patience, one day things will happen. I read the superstonk everyday. Thanks to No Vacation mod for helping with my post.
