I am not tech savvy for the most part, and when it comes to GME I was hesitant to DRS my shares because I couldn't find an easy way to do it. But u/millertime1216 and u/derhypersclaue created a wonderful site that goes over everything and even helps out us apes who want to DRS our bananas but don't know how. I literally called the number, gave them some info and my shares will be DRS'ed in as little as 2 weeks! Go to [drsgme.org](drsgme.org) to find out how today. I hope this helps a couple apes like myself! HODL my friends!
