MAN. talk about a day. Today is the day i start digging the foundation from under his feet. He should have just covered. DUMBASS.

wlet's take a look at something. remember this?

[I remember this. wonder what is being. sears is half torn apart?](https://preview.redd.it/gv2fqwv2hfg71.png?width=997&format;=png&auto;=webp&s;=2b4f9e0bde519ab1d352fa13f04e5b11280044b2)

let's begin. Sears. https://fintel.io/so/us/shld

[what a STRANGE chart right? like. wht happend investors. u no like stock?](https://preview.redd.it/n5lbbd mahfg71.png?width=3019&format;=png&auto;=webp&s;=da691e8f5c21dd8bdba760500f0a7b3d143c7a95)

easy to see that without institutional investment. aka CORPORATE, that there can not be any derivatives from them to manipulate things. check this

[neat right? patterns.](https://preview.redd.it/r8t16lxhhfg71.png?width=3023&format;=png&auto;=webp&s;=11bb72b5d9d6a2fcd181914cc92639e62cb094f0)

[what about this one? strike a pattern?](https://preview.redd.it/rxub04wxhfg71.png?width=3013&format;=png&auto;=webp&s;=fff3ee9a8cc384a4884d3063c8ba277c8b602e77)

when looking at the institutional investors, i never like to see IFP advisors. i did the L bond video a while back and noticed the patterns between kc.xix (which changed its ticker without admitting paperwork) and IFP advisors. and actually i did the IFP advisors > gwg life bonds in that video.know how many GWG bonds we found?these ones?

where i showed they were the only recievers of those bonds?

when going through IFP advisors portfolio, https://fintel.io/i/ifp-advisors

IT IS EASY TO FIND THESE. search for these listings.

THATS WEIRD ISN'T IT? Why would they be the only receivers ? This goes DIRECTLY to the L bond video. Notice when you watch it. the underlying KC.XIX is no longer in the tailored brands portfolio. t involves the life insurance scam of the life insurance bonds issued by the mortgage companies. Hell. Even

in the "REPO PARTIPANTS ARE PAYING MOS.COW" DD i did. i proved that the repo participants are investors in ingles markets and using a fund in the caymans , ran by ab arya..

This gets deeper than you apes will ever want to know. All you need to know is in my posts i have proven domestic terrorism through market manipulate by our market makers. How much does it take to show you that they are stealing not just your money, but your parents, grandparents and forefathers money. They owe more than can ever be payed. This is why I BUY and HODL.

Ken, You guys knew better. .You are either going to feel the wave of truth hit you like a game stopper, OR WE ARE GOING TO SEE THE GAME STOP. I would like to change this from pitchforks to a situation of hope. Anger never helped anything. Hope did though. It's funny because at some point , I realized the only thing i had to lose was my hope. Gamestop was the embodiment, LITERALLY, of my hope. I have 5 units of hope. No you cannot have my units Ken. I will not give them to you. only got a couple. I kinda just wanna see how high the stock goes anyway.

Friends im almost certain i dont survive this. At a point i stood up as tall as i could but the enemy in this is great. they have EVERY resource against us. and i know that. noone has ever tried to do what im doing but there is little time before its too late and censorship will destroy this place that we love. as for me? CAN'T STOP WONT STOP.

Truth is the greatest weapon that deception cannot defeat.
Knowledge is POWER.
POWER to the PLAYERS.
