GRAPEVINE, Texas--(BUSINESS WIRE)--Jul. 11, 2022-- GameStop Corp. (NYSE: GME) ("GameStop" or the "Company") today announced that it has launched its non-fungible token ("NFT") marketplace to allow gamers, creators, collectors and other community members to buy, sell and trade NFTs. The Company's NFT marketplace is a non-custodial, Ethereum Layer 2-based marketplace that enables parties to truly own their digital assets, which are represented and secured on the blockchain. The marketplace, which can be accessed at <https://nft.gamestop.com>, allows parties to connect to their own digital asset wallets such
