## DRS THROUGH FIDELITY CHAT - A GUIDE FOR SMOOTHBRAINS -

1- Go to <https://www.fidelity.com/customer-service/contact-us>

2- Click "Start Chat" under "Chat live with our team."

3- You will be connected to the virtual representative. Give it some basic info such as "I would like to DRS some GME shares."

4- Within a few minutes, you will be connected to a live representative.

5- Tell them "I would like to DRS X shares of GME." You can specify if you want LIFO (last in, first out) or FIFO (first in, first out) for tax purposes here.

6- They will take a few minutes to process the request, then will give you a confirmation number.

7- Go to <https://www-us.computershare.com/Investor> and either log in or create a new account. You will need your social, your zip, and stock held (GME, obviously).
