Just spoke to a broker at e-tarde and got he info on how to DRS our shares without having to call in.

1. Go to Documents tab and click Forms and Applications
2. Scroll down to Deposits and Withdraws
3. Click Request Stock Certificate
4. Select brokerage account your GME shares are held and request number of shares to DRS

The transfer says it will take 3-5 business days. This is a major improvement from having to call in.
