You're watching a sports game, the teams are dead even, 20 to 20. Game ends, 20 to 20 but suddenly one team has scored 50 points after the game is over. You ask what happened, "Oh, we scored off the field, but didn't want to disrupt the game so we didn't say anything until after the game was over."

64+ Dark pools are run by the banks. The banks own the feds, the banks own the market, the banks own America. WE THE PEOPLE need to push back, we need to take back this country from the banks and end corruption!
