## # 1. Overview and TLDR

I have been compiling, organizing, and archiving important and relevant GME content on [Github](https://github.com/verymeticulous/wikAPedia#readme) since early 2021.

Below is a list of due diligence on how to manage yourself and your tendies before, during, and post-MOASS.

## # 2. Resources

If I am missing any useful wealth-management posts, please share them!
