GDAY GDAY LADS!!!

jydn here! now i recently discovered that the Non ACAT transfer document for transfer out of commsec into CS for DRSing of GME shares has been pretty well wiped off of reddit in all the major DRS posts. thanks to a lurking, DRS'd ape for helping acquire the document and once more share it!!! you sir are a legend and i owe you a drink!!!

once more we shall ride and DRS our shares!

thank you all,

jydn
