After the DTCC skulduggery of these past few weeks, the following ****Shareholder Toolkit**** put out by AST Financial (Bloodbath Transfer Agent) seems to be more relevant than ever.

<https://www.astfinancial.com/knowledge-center/resources/>

I suggest this to be mandatory reading for every Ape. It's quick reading yet full of information!

Know your rights Apes. Get to know the terminology so their big made-up words do not intimidate you. Understand we're dealing with a simple system deliberately made complicated by a bunch of lying, cheating, stealing sociopaths.
