"I am learning to understand rather than immediately judge or to be judged. I cannot blindly follow the crowd and accept their approach. I will not allow myself to indulge in the usual manipulating game of role creation. Fortunately for me, my self-knowledge has transcended that and I have come to understand that life is best to be lived and not to be conceptualized. I am happy because I am growing daily and I am honestly not knowing where the limit lies. To be certain, every day there can be a revelation or a new discovery. I treasure the memory of the past misfortunes. It has added more to my bank of fortitude." Lee Jun-fan
