Happy Easter Apes

Just a bit of fun for Easter, not trying to start a holy war. The Lord's Prayer for us Apes:

Ryan Cohen, who art our chairman, hallowed be thy name. The Mother will come, our will be done, on Earth as it will be on Wall Street. Give us soon, our big fat tendies, and forgive us our FUD, as we forgive our fellow Apes who doubt occasionally. And lead us not into paper handedness, but deliver us from Main Stream Media. For ours is the DD, the stonk split, and the Lambos, for ever and ever. Amen.

All People Equal, you magnificent dirty Apes.
