My DRS shares are locked up for good until I die. Don't care what the price is, some things in life you just can't put a price tag on. These no longer for sale, ever. Fuck you Kenneth Griffin and friends. I don't need your fucking money.

You serve me now. I am your master. Praying for mercy will no longer work. Justice is demanded and our obligation will make mercy an IMPOSSIBILITY. You reap what you sow fuckers. I accept that for my mistakes.

Righteousness will prevail. Power to the players. GameStop.
