Nah. My job is Social. My job is NOT to navigate the minefield you all have unjustly created with ridiculous strawman arguments about what platform is used to distribute. We have a team of people who work on social, but cut the BS. Y'all situation is not MY situation.

Replying to @rukizzel @serban_o and @GameStop

Have some more awareness for the situation, pls. Not knowing that you're causing disappointing with your shareholders/investors is maybe worse than doing it intentionally. ...
