Hey ya'll!! I'm looking for a meme I've seen recently but have scanned the internet and cannot find it anywhere. I'm hoping some apes can help me...

I'm looking for the GME meme at the end of Fight Club where the whole world is coming crashing down.

In particular I'm looking for the photo/video that shows the hedgies falling or the other one where gme is sitting and looking off in the distance.

Any help would be greatly appreciated! Thanks so much! I'm trying to post a gnarly instagram story.
