**\*\*BECAUSE THERE'S A BUNCH OF FUD. I WILL LEAVE A SHORT COMMENT ON BBBY/RC VENTURES.\*\***

RYAN COHEN HAS NOT SOLD HIS FUCKING BBBY SHARES!! WHAT DID HAPPEN? HE FILED A FORM 144.

**\*\*What is a FORM 144?\*\***

As a company insider, he needs to file a form 144, for PERMISSION to sell shares AND OPTIONS. That does not mean he has or will make a sale.

**\*\*Speaking of shares he literally can't sell his shares without giving back all his profits to BBBY because of the short swing profit rule!\*\***

**\*\*Short-Swing Profit Rule?\*\***[<https://www.investopedia.com/terms/s/shortswingprofitrule.asp#:~:text=What%20Is%20the%20Short%2DSwing,within%20a%20six%2Dmonth%20period>](<https://www.investopedia.com/terms/s/shortswingprofitrule.asp#:~:text=What%20Is%20the%20Short%2DSwing,within%20a%20six%2Dmonth%20period>)

As a company insider, HE WILL LITERALLY HAVE TO GIVE BACK ALL HIS PROFIT IF HE SELLS HIS SECURITIES BEFORE THE SHORT SWING PROFIT RULE PERIOD IS OVER.

**\*\*SEC Filing with the date of his share ownership:\*\*** [**\*\*<https://bedbathandbeyond.gcs-web.com/static-files/b08a4b0d-b9fd-467e-a69e-0e96c990ff45>**\*\*](<https://bedbathandbeyond.gcs-web.com/static-files/b08a4b0d-b9fd-467e-a69e-0e96c990ff45>)

**\*\*So why did he file a FORM 144?\*\***

BECAUSE HE HAS OTM OPTIONS EXPIRING IN JAN. HE NEEDS TO FILE THE FORM 144 TO SELL THEM.

EDIT: A mod decided to change the flair?
