hello ■■ everyone I've been away for the best part of a year and I need some of you wrinkle brainers help with DRS'ing my shares off of Etoro.

I don't know if I have to sell my positions in order to do so?

But someone with experience can hopefully help me and she's some light on it all.

I have some on Trading 212 also.

And I'm from the UK if that also helps.

Thank You ■■
