Hey everybody! Dang, I miss you all SO MUCH!! I truly miss cheering on the purple circles. You have been absolutely killing it with ~10k shares per day posted to the BOT. Keep up the great WORK!

First, a special ****THANK YOU!**** to all of the 30+ volunteers!! Without your dedication, this wouldn't be possible.

We have been working hard on re-vamping and restructuring WWW.DRSGME.ORG, adding DRS how-to instructions, and writing articles to the "Invest in GameStop" section.

Although we are still refining the home page, including soon adding the killer video from u/doom_douche, we would now like your feedback on the current draft...structure and content. Please feel free to respond in the comments section and/or the submission form on the website

As we complete the upgrades toward the ultimate finished product, we are also waiting on a response from others as to how to proceed with the fundraising for the advertising campaign. So that is coming soon.

The vast majority of our approximately \$50,000 desired budget is planned to be used on digital advertising (versus physical advertising) although we are open-minded to your suggestions on this as well.

The ultimate goal of the website is to help lock the float, expose the corruption of Wall Street, and launch MOA*S. Please spread the word about www.drsgme.org by any and all means possible.

Special thanks to u/TheTangoFox for the big beautiful billboard [here](https://www.reddit.com/r/Superstonk/comments/tzz540/uthetangofox_put_billboards_back_on_the_menu_bois/?utm_source=share&utm_medium=ios_app&utm_name=iossmf). Please share with us what YOU are doing, big or small, to advertise drsgme. If you make a post, please use drsgme in the title so it shows up in my search.

Please help me Tweet! [My sample Twitter script.](<https://twitter.com/millertime1216a/status/1514054157761720321?s=21&t=u2k7FBboplXpAvT4BPwQQ>) and use your own social media.

#LOCK THE FLOAT!

#Changing the world is what's at stake!
