Bought some new GameStop shares directly at ComputerShare.

[+11 added to the pile](<https://preview.redd.it/9cspz3bunvu81.png?width=684&format=png&auto=webp&s=694b41ca53a25c77cd3f714cc61068ef9554b5fa>)

I still have some of those "IOUs" at a broker, but now either DRSing them out to CS or buying more direct at CS (..and then selling from brokers for even some more direct purchases at CS.. ;-))

\$150 feels like nothing when you've done it at \$320 too.
