"To Whom It May Concern,

Thank you for reaching out to me regarding your request. After serious consideration and deliberation with my personal advisors, we have decided to respond to your cease and desist notice with one of our own. At present, it is clear that Ken Griffin, through his various Citadel businesses, is engaged in criminal activity involving - at minimum - the stock market. As such, we demand that Ken Griffin and all businesses he involves himself in - in any capacity - to cease and desist their criminal behavior, else we will continue to publicize the nature of the crimes he and his businesses are involved in as a matter of public interest.

Sincerely, Your Worst Nightmare

P.S. Fuck off."
