So I know lots of apes from other countries have complained they can't drs (gme) this simple guide will give power to the players and allow any one over the age of 18 in any Country drs your shares. These are the 3 simple steps!!!

1. You open up an LLC in Wyoming! Why Wyoming because they have no state tax and the best protection for your assets and the cheapest state fees. I opened up anonymous one for \$200 my company is black louts tech. [Black louts tech](<https://wyobiz.wyo.gov/Business/FilingDetails.aspx?eFNum=035087204102164231010224203199077228151111067131>)

2.You file for ein number

<https://www.irs.gov/taxtopics/tc755> you get your number back that day.

3. You go to computer share and buys shares in your company's name

Now the only down fall is you will have to pay federal tax on shares you sell if you sell.
