It has been exactly 1 year to the day that I learned about GME and bought into the most amazing ride of my life. I can't begin to describe how this whole process has been and what I have learned along the way. I want to personally thank all of you that have put in the hours to provide us with the DD so we can make an informed decision on what is best for our financial purchases. This is the best community I have been a part of and regardless if it happens today, tomorrow, or years from now, I will be a GME holder for life!! Good luck to all of you apes ■ ■
