Desperate times call for desperate measures. If they were desperate before, funds will be absolutely flummoxed now. Expect shenanigans at a level we haven't seen yet. You can make them even more frantic if you'd like by not using using stop losses. And for the love of RC, GameStop, and the Great Ape itself, please register your shares!! You will be glad you did!

Up, down, or sideways, it's only a matter of time. Now sit back, enjoy today's show which promises to be entertaining, and stay steadfastly resolute.

Spoiler alert: Hedgies are rekt.
