It's clear that everyone, even GameStop fanatics, are finding and learning about Direct Registration and the DRS at different speeds. So I'm hoping this series of posts helps to raise more awareness that it is possible, and it's even easier than it was at the start of 2022!

If you're looking for a guide for your broker, check out the website and you'll find 109 guides (hopefully you're broker is one of them!). If you can't find your broker guide, let me know and I'll see what I can dig up!

Citibank US is an American bank/broker that can DRS transfer for free! You just need to send a Letter of Instruction.

Much simpler than their HK counterpart. DRS is incredibly easy when you're a US citizen!
