Well after spending Christmas Holiday on the main island of Hawaii Mayo Force 1 took off at around midnight EST 12:00 AM 12/26/21 and looks like it's about to land in West Palm Florida. Currently over the Gulf of Mexico. About the same time Mayo Force 2 left Chicago and just touch down on the main lland in Hawaii. Maybe cleaning up after Kenny Boys coak induced party's and mopping up the Mayo and paying off the escorts. I expect his stay in Florida will be short and be landing in the Hamptons or Teterborow New Jersey next to Manhattan later today to get ready for market open. Maybe GME gonna be interesting this week, maybe not ?

Edit : Mayo Force 1 just touched down at Palm Beach International Airport at 9:45 EST.
