Fellow apes, after all this time I thought my wife had a bf with a larger position in GME than I do.

I showed her the DFV dd, recited attobit.... Jesus. I even told her about the Elliot waves guy and the reverse repo magician..... then she watched John Stewart and said.....

Thanks for taking this chance for our family for change.

Folks if she had a bf, he would have done this.

Buy. HODL. DrS

I hope every last one of you has a great week!
