We all know by know the WSJ article about GME and “potentially” getting involved in the NFT game.
Things to keep in mind....

First and for most, I'm a big fan of DRSing and continue to be

2). Nothing from GameStop or RC means nothing officially released from the company. Is that good or bad
■■■■■. Time will tell.

3). I don't know shit about fuck when it comes to options but I do remember reading that the hedge hogs
take yearly contracts. We are approaching a year from the initial sneeze. ■■.

4). Whether RC wanted it to get leaked this way or not, it's going to cause FOMO. I expect big increases in
volume soon if not now.

5).I'm hyped but ready to get let down.

TLDR). I like DRSing and buckle the fuck up
